

The Friends of the Hadley Council on Aging was established last year to enhance financial and operational support for programs for the Hadley Council on Aging.

During our first year, we were able to fund an additional driver to bring seniors who no longer drive to the center for activities, and to take them to medical appointments.

This year, in addition to continuing to fund the driver, we are going to provide funds for the printing of the newsletter.

Your membership support will allow us to continue to assist the Senior Center in other ways that will continue improving the quality of life for Hadley seniors. We truly appreciate your support!

*What does it take to improve the quality of life for Hadley seniors?
