P.O. Box 251
Hadley, MA 01035

THE FRIENDS OF THE HADLEY COUNCIL ON AGING was established in 2014 to enhance financial and operational funding for programs for the Hadley Council on Aging.

We underwrite the costs of many social programs including Coffee with a Cop, the monthly ice cream social, art openings and the volunteer luncheon. We subsidize speakers and entertainment for other events. We continue to pay for the printing of the newsletter, the annual fee for My Senior Center (the COA's database), supplies and other various small items around the building.

Supporters are a main part of our funding for programs at the COA that are not in the town's budget, however we hold other fund raisers, including our popular calendar raffle and wine tasting. Income from the Funding for the Future Campaign which offers naming rights to parts of our building and the Leaves of Love Tree in the living room is also used by the Friends.

Please consider joining us in any or all of the above. Your generosity will allow us to continue to assist the Senior Center in offering a large variety of opportunities to Hadley seniors so they can be more involved and lead fuller lives and age at home. We truly appreciate your support!
